Marcos Diamond Jubilee Rally July 5th – 7th, 2019

Dear Reinhard,

Information concerning the Marcos Diamond Jubilee Rally in 2019, to celebrate 60 years of Marcos Cars, is almost ready for general release. There are just a few things to be finalised but these should be sorted very soon. We thought it would be a good idea to just bring you up to speed with what we can release so far so that you have the most up to date information if asked by any of your colleagues or associates.

The 60th Jubilee Rally will be for any one interested in the Marque and an opportunity to celebrate 60 years of Marcos by getting as many cars and owners to the event as possible, much like the celebration in 2009 for the 50th anniversary, at Prescott. So as not to impose any financial or organisational commitment this time on the clubs or any businesses, the organisation of the event is being handled through a new company, 'Premier Classic Auto Events'.

The venue, as I think most have already heard, is the stunning Wroxall Abbey in Warwickshire, which I know some have been to previously. Wroxall Abbey has become one of the premier destinations for car club and motoring events in the Midlands and draws events in form all over the UK. It is close to major traffic arteries, international airport and national railways. It is also ideally located within easy distance of other major attractions such as the Motor Museum at Gaydon, National Motorcycle Museum, as well as historical places of interest such as Stratford-upon-Avon, Coventry Kenilworth and Warwick.

The event will be open to any owner of a Marcos car or anyone who has an interest in the marque, as well as the derivatives. and associated brands such as Costin, Adams, Probe, Midas.

Early indications are that this special event is likely to be very well attended and should be the biggest gathering of Marcos cars to date. With opportunities to see some very rare examples as well as meet up with some of those involved in the developments, and old friends it certainly is one not to miss. In the forthcoming months and in the lead up to the event, it will also be publicised world wide.

Due to liability, insurance and safety reasons, this will be a '**TICKET ONLY**' event. There will be **NO** admission for non ticket holders on the gate at the event on any of the days. All tickets must be pre-booked.

The accommodation at Wroxall Abbey is limited and the rooms at the venue are expected to sell out very quickly. There have apparently,

already been people trying to book Wroxall for the dates to try to ensure that they get a room in anticipation of the event. This is not possible as Wroxall Abbey are not taking bookings directly for this event.

Rooms at Wroxall are only being made available for those wishing to purchase the whole Jubilee package. A deposit will be required to secure a room on booking. The Jubilee Package will include meals, Gala Dinner and access to all of the events at Wroxall over the weekend.

We're pre-releasing the details to key people in the Marcos world prior to them being generally known. Access to all the booking information about the event, will go live at the time indicated below and no bookings will be accepted before this date.

It is important to give everyone in the UK as well as overseas, an equal opportunity to book the Jubilee package at Wroxall. The publication date of the full event details will be 21st October 2017 at 10:00am (BST) 2017 and at that point the event web site at;

<http://Marcos60thJubilee.uk>

and the online booking, will go live.

MARCOS 60th JUBILEE PACKAGE - DOUBLE ROOM

Please note, the evening format for Friday and Sunday have not been finalised as yet.

Marcos events will be happening on both Saturday and Sunday with some fantastic prizes for participants. A concours will of course be part of the weekend, and other events are being organised. Attendees will have the use of Wroxall's Spa and health club facilities. Refreshment and other vendors will also be on site during the event as well as an opportunity for Trade and Sponsor stands.

If any further information becomes available, I'll let everyone know.

Can I just point out again, that the event will be pre-book ticket only and tickets will not be transferrable.

If I can answer any additional questions, I will try and some of the minor details are yet to be confirmed.

Yours sincerely

Roger Young
